Returned with compliments.

Whether and why it is not possible for the Dewan and the two officers (either travelling with him or separately) to take a return ticket has not been stated.

The latter portion of G.O.N. No. 516 CB 26-31-1 dated 28-7-31 implies that the Dewan is adopting the route from Marseilles to Bombay on his return journey.

Subject to the settlement of this point and the production of firm's bills, payment of £ 308/- at Bombay to Messrs Mackinnon, Mackenzie & Co has been arranged for as desired by the Private Secretary to the Dewan.

In connection with the refund of £ 23 to the Dewan being the amount paid for Cabin-de-luxe, Requests that Sanction of Govt may be Communicated through T.D and that the Source from which the Expenditure has to be met in the current year's budget may be indicated.

A demand for an Additional Grant for Rs 55,200/- was placed before the Legislative Council (June Session 1932) for meeting the Expenditure incurred in connection with the Second R.T.C and it was passed. This amount includes the sum of £ 23/- (B) paid by the P.S.D for Cabin-de-Luxe. Flag B Flag A

be £ 25 according to the first intimation from the Shipping Agents and so only this amount was included in the statement of advances authorised to be drawn in letter d. 7.8.31 addressed to the Comptroller. It was found later that £ 50 was due to be paid towards Cabin de luxe and to make up this a sum of £ 23 was paid by the Dewan from private account. This was intimated to the Comptroller in April 1932 while furnishing accounts in adjustment of advance. & refund of £ 23 was ordered.

It is not clear why the Comptroller wants further formal orders. A draft is however put up for issue through Finance Dept.

As regards the source, ~~if the Govt~~ funds were available in the grant sanctioned last year, but as the year has passed a fresh source may have to be pointed out in the current budget. If however only a book adjustment is made there may be no need for a fresh allotment & the adjustments may be made in the Comptroller's books. If is ~~no~~ for orders if £ 23 due to the Dewan may be authorised to be adjusted towards the advance outstanding against him

The Fin. Secretary also may be consulted

NOTE—Contn. Sheet.

WD 70—GBPM—60,000—13-8-31

The comptroller need not have taken more than 2½ months to point out (without assigning any reason) that the Sanction of Govt should be communicated through the Financial Dept. But for this delay, the amount could have been met from the addl grant for R.D.C obtained last year. It is difficult to indicate any definite source in the current years budget from which the expenditure can be met.

If the need for an addl allotment this year can be avoided by making a book adjustment, as proposed in the above note, this will be the best course.

Sir,

With reference to Government Order No. 518/C.B.26-31-2 dated 28th July 1931 through Fl.189 dated 6th August 1931 requesting me to authorise Messrs. Coutts and Co., London, to pay the Dewan and Secretaries deputed in connection with Round Table Conference Single First Class Steamer Fares from ~~London to~~ Marseilles to Bombay, I have the honor to state that the Steam Ship Company issues at concession rates return tickets which are current for a period of two years and by taking advantage of this concession the Government would save about £112/-. Last year only return tickets were allowed for the officers accompanying the Dewan (Vide Government Order No.0.351 dated 23rd July 1930).
